

Altair® Monarch® 2025.0

**EMBEDDED THIRD-PARTY
COMPONENTS**

TABLE OF CONTENTS

Overview 1

Prerequisite Software Components..... 1

Embedded Third-Party Software Components..... 1

OVERVIEW

Altair both embeds and requires a set of third-party software components as prerequisites for Monarch.

These components include both purchased and open-source licenses.

Utilized third-party software includes:

- ❑ **Prerequisites** – Prerequisite components must be installed before installing the software. Depending on the distribution media, prerequisites may be included as part of the entire installation program.
- ❑ **Embedded Components** – Embedded components are installed along with the software.
